Le n. Enc 1 Map & 1 Estimate

Deputy Commissioner's Office
Hassan District.

Dated 17/18 April 1897.

From,

B. G. Krishna Iyengar Esquire
Offg: Deputy Commissioner
Hassan District

To

The Secretary to the
Government of Mysore
General and Revenue Department
Bangalore.

I have the honor to state that Aggehalli in the Channarayapatna Taluk is a large village containing a population of 1241. The only source of water supply to this village is a large Bandi (Kalyani) which is used for drinking bathing and washing purposes and is subject to much contamination. It is therefore considered very desirable

Letter No. 922 dated the 17th April 1897 from the Dy Commr Hassan Dt, reporting that the Honda in the Muggehalli village, Channarayapatna Taluk, which is the only source of watersupply to the village is subject to much contamination and that it is therefore very desirable to divide it into two portions, one for drinking and the other for bathing & other purposes, by constructing a masonry dam in the middle; and submitting for sanction a plan and an estimate for Rs 1500/- for the above work.
